Message for Visitors about Coronavirus

Dear Visitors,

New-York Historical Society continues to monitor the situation with the novel coronavirus (COVID-19). *Currently, we are open for our regular hours and most of our events and programs are taking place as scheduled. Check our Visit page for daily updates.*

We wanted to update you on the precautionary steps that we are taking for the health and well-being of our members, visitors, and staff. Our maintenance staff has already increased the frequency of cleaning schedules, and we are providing additional hand sanitizer stations throughout the building. If you are visiting *Bill Graham and the Rock & Roll Revolution*, please know that we maintain our policy of sanitizing every audio set thoroughly after each use.

We continue to keep apprised of developments, and we encourage you to visit the [New York Department of Health](https://www1.nyc.gov/site/doh/index.irender) for the latest news. Other sources of information include the [Centers for Disease Control](https://www.cdc.gov/) and Prevention and the [World Health Organization](https://www.who.int/). Any other questions or concerns about your upcoming visit? Please contact us at (212) 873-3400 or info@nyhistory.org. Please check our [website](https://www.nyhistory.org) for Museum closures and up-to-date information before you arrive.

We look forward to seeing you at the Museum soon.

Sincerely,

New-York Historical Society
